5-13-20

Your Honour Sir Judge T. Varlan,  
or whom it may concern,

To Start, I'm not sure whom I'm to speak with on this matter or how to properly and professionally write to a judge or higher ups. If you'd so kindly as to forgive my improper and sloppy handwriting.

I'm writing in regards to I guess my case. I'm trying to get approved for video visits with friends and family. They won't allow me to have them here because of my charges. But, I'm allowed computer ~~access~~ for law library, emailing, staff, truelinks, for music well everything minus emailing the outside and video visits.

I've been locked up for 4 years now. 2 of them I've been here. And have only gotten into trouble once. I got a minor count shot because the officer believed me to be messing around at count which wasn't the case my hair as long as it is was caught on something. Other than that I've been a rather good girl. No trouble no problems.

Untill the lockdown I've also been programing as well. Even took a parenting class to learn how to be a good parent (from prison) but, can't be used outside. Well, if you know I have no →

children. But, maybe one day I might. Or I can give my knowledge of proper care of children to others.

My main goal in life is to serve God (the Holiness way) and to show the world I'm not the same 21-year-old, scared multi manipulated, controlled little girl I was 4 years ago. And when I get out I'd like to be apart of or send money to an assosiation to help protect children.

I wish ya'll could see this change in me Sir. I want to show the world I'm not a "chomo" pedophile. Yes 4 years ago I believed there was nothing wrong with some <sup>one</sup> downloading Porn as long as you yourself was not doing it or making it. I know know how wrong I was.

I'm glad I got locked up. I hate it. It's depressing and most everyone is very mean to me officers and prisoners alike. But, I'd go through all this again just to have this wonderful change in myself. And to experiance seeing and being apart of changes in others and even preventing a few people from suicide in county jail. So yes, thank you your honour that I ever got locked up. Yes, like everyone else I want a second chance at life. But, that's

(2)

to ask to be approved for emailing and video visits or just video visits. Your honour there are so many disasters out there right now murder Hornets, mystery illnesses in children, and covid-19 the coronavirus. And a lot of my family is astmatic and diabetic both making them high chances of the corona, so am I. I'm astmatic.

All I keep thanking of is what if this my last chance to see my family. And I cry myself to sleep a lot. I even just learned one of my twin nephews is autistic. Yes, I want to be out there to help with and to protect my neice and nephews. With my own life if ever need be. But, I'm stuck here. Please Sir, I just want to see my mom and grandma again. My grandma is high risk for the coronavirus. I'm scared I'm gonna loose her while in here and not be able to even say goodbye..

How do I get approved for video visits? How do I show the world I'm not my father I'm not a pedophile. How?

There are inmates here whom have worse charges then mine, with kids directly apart of their cases and they have it and can work for UNICOR but, I can't. I don't get it

I'd jump from an airplane with a broken  
parachute if it were to show the world  
I'm not a pedophile. I'd take any and ALL  
tests to prove it. God knows I'm not.

Just one chance your honour is all I'm  
asking for. Please Help me? Send me in  
the right direction to get approved for video visits,

I hope and pray you and your  
family are safe from the coronavirus.

I look forward to a reply. Thank  
you for your time and reply.

P.S.

I've also inclosed  
a letter of sincer  
apologies to all the  
victims of the down-  
loaded photos.

Please excuse me if'n you don't believe in the Bible  
I've used 4 references from it to help my own words. Be-  
cause I couldn't properly put them into my own.

5-13-20

This goes out to all children/people I've  
hurt. I've said it once I'll say it again.

I'm truly truly sorry I hurt you and that  
you were ever harmed by anyone. It isn't  
right. I'd gladly spend a life time behind bars  
if'n it'd lessened your pain at all. Even take the <sup>chair</sup> ~~chair~~.

But, with my own experiences as a child  
from ages 7 to 21. I can relate to you all.  
I too was a victim. Many times over. But,  
I've also learned to not see myself as a victim  
but a survivor. I'm stronger today than I  
was yesterday.

The Bible says in Matthew 10:31<sup>KJV</sup> ~ Fear ye  
not therefore, ye are of more value than  
many sparrows.

Revelation 21:4 says ~ And God shall wipe  
away all tears from their eyes; and there shall  
be no more death, neither sorrow, nor crying,  
neither shall there be any more pain: For the  
former things are passed away.

I strongly believe in those two verses  
all of you have so much value and we can't  
allow the pain and sorrows of yesterday hurt  
us and drag us on and control our today and  
tomorrows. We can only allow it to strengthen  
us. To build from it.

is over, Today is now, and Tomorrow is always there.

Meaning what happened yesterday is in the past for a reason. We must only grow and learn and strengthen from it.

Because if we live in the past, we will never have a wonderful, peaceful future. I'm so deeply sorry for what your past did to you. I'm sorry for your pain and suffering. If I could take it all upon my own shoulders so you all could live finally at peace, I would in a heart beat. But, only you and your God can take your pain away.

I've learned to move on and forgive the ones whom hurt <sup>me</sup> you. I pray you can do the same one day. Tomorrow is our new beginning. A new day.

But, I am not asking you to just forget and move on. I'm only saying I'm sorry you ever knew such horrible pain and suffering.

No one ever should. No one. I'm sorry I was part of May the Lord bless you and keep you your pain.

May He make His face shine upon you

May He lift up His countenance upon you

and give you so much peace -Amen

(Numbers 6:24-26)

Rev 22:21; The grace of our Lord Jesus Christ be with you all -Amen
